25 July 2022

Dear parents and carers

You would be aware that the number of Covid-19 cases reported in NSW is rising. Our school has been advised that members of our school community have recently tested positive to COVID-19. The safety and wellbeing of our staff and students are paramount at all times. As such, we will continue to closely follow the advice from NSW Health, including requesting that **all students wear a mask while indoors**.

Students in all year groups and staff may have had contact with a person who was infectious with COVID-19.

While testing and isolation for people who have had contact with a person who has tested positive for COVID-19 is no longer mandatory for exposures in school settings, for our school communities following exposure to COVID-19 that should be considered when making decisions for your child and family.

You are reminded that staff and students cannot attend school if they are showing any symptoms of COVID-19. These include fever, cough, sore throat, shortness of breath, runny nose, loss of smell/taste, fatigue, muscle/joint pains, diarrhoea, nausea/vomiting, extreme tiredness, unexplained chest pain or conjunctivitis (eye infection).

If symptoms occur at any time, you should not attend school and should undertake a rapid antigen test. If a rapid antigen test is positive you/your child should isolate as someone who has tested positive to COVID-19. If you cannot access a rapid antigen test, you can attend a PCR (nose and throat swab) testing clinic.

You must also register any positive test on the Service NSW website or Service NSW App so you can be linked to important health care support and advice. Parents and carers are reminded to please ensure that you select your school name when prompted when registering a positive test result for your child.

Thank you for your support.

Kind regards

Alison Gambino
