

Pittwater High School

Scope & Sequence for HSC Senior Geography Term 3 2020 – Countdown to the HSC

Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 1, Term 4
Skills (Monday lesson) Ecosystems at Risk Revision FOCUS OF STUDY: Ecosystems at Risk	Skills (Monday lesson) Urban Places FOCUS OF STUDY: Urban Places	Skills (Monday lesson) People and Economic Activity FOCUS OF STUDY: People and Economic Activity	Skills (Monday lesson) Case Studies FOCUS OF STUDY: Case Studies on each of the three topics	HSC Revision Examinations under exam conditions	Final housekeeping and organisation for ongoing revision and practice HSC Revision- Focus on past paper practice	

Lessons in Week 5-8 will focus primarily on Skills and completing any activities whilst revising the content covered during the course. We will aim to do a practice question (short or long) or activity on creating thesis statements/arguments, every lesson until the end of term.

Mid-week 8 to Week 10 will ideally focus on revising all topics ahead of the exams. Further instructions for these lessons will be provided- feel free to bring your own desired revision resources and activities for these.

You are also invited and encouraged to attend your Senior Geography lessons as timetabled in Week 1, Term 4, to continue preparing for the exam or seeking help on specific questions you are unsure of.
