Term 3 Week 2

23 July 2013

## PRINCIPAL'S REPORT

The term has started with a return to the 80's with the school musical being in full swing. The reviews have been excellent and the songs are being hummed in the halls by the staff and students after the event. Congratulations to the cast, crew and the staff who all put in a huge effort over the holidays to bring this fabulous show to reality for us. If you have not seen it yet you will need to get your tickets quickly so that you do not miss out.

I would also like to congratulate the 32 year 9 and 10 students and the Science Faculty who participated in the Macquarie University Engineering Challenge achieving a number of firsts and coming third overall in an event that included selective schools and private schools. James Ruse Agricultural High School won the event overall. So our third is a very commendable performance.

There are many opportunities for students to excel and challenge themselves at Pittwater High School during this term, the Duke of Edinburgh treks, senior assessments, the Jindabyne Crossroads Excursion, music events and excursions. I encourage all our students to make the most of the opportunities offered at Pittwater.

The school has made a very positive start to the term. I thank all of the students and parents for their support in following the uniform policy. The message we send to the broader community when students are in full school uniform is that Pittwater High School is a well disciplined and ordered school. This enhancing of the school's reputation will reflect on the young people who attend here as they leave the school to work in the community.

This term is the run up to the HSC and I acknowledge the work of the staff and the commitment our HSC cohort is making to their preparation for the HSC. It is important that students recommit to their studies and make the most of the time they have left at school to enable them to be proud of their achievements at the HSC.

## DEPUTY PRINCIPAL'S REPORT

Welcome back to Term 3.

Reports for Years 7-10 were emailed home to both parents and students at the end of last term. We hope you have taken time to consider your teachers comments and reflect on the areas that require additional effort during Semester 2.

We have a busy term ahead, starting with a subject selection information evening for Year 7 into 8, and Year 8 into 9 2014, on Thursday 24 July. This evening will commence at 6pm for Year 7 and follow at 7pm for Year 9 students and their parents. We will be handing out the subject selection books and explaining the online process you will need to use to make your selections.

CALENDAR	
Thursday 25 July	Year 7 into 8 and Year 8 into 9 Subject Selection
Wednesday 24, Friday 26 and Saturday 27 July at 7.30pm	School Musical—Back to the '80's
Saturday 27 July Matinee: 1pm	School Musical—Back to the '80's
Sunday 28 July–Friday 2 August	Year 11 Camp—Jindabyne
Monday 5 August	Year 7 Gala Day

Year 7 into 8 and Year 8 into 9

### INFORMATION EVENING

Thursday 25 July in PHS Hall

❖Year 8 2014 Subject Selections – 6pm–6:45pm

❖Year 9 2014 Subject Selections—7pm–8pm

for all parents/caregivers and students

Board of Studies requirements for Stage 5  
Issuing Year 9 Elective Course booklet  
Understanding subject selection procedures  
Expectations for Year 9 and 10

# TECHNOLOGY EDUCATORS CONFERENCE AND WORKSHOP

On Saturday 25 May 2013 members of the Technological and Applied Studies Faculty (TAS) attended a whole day workshop on different areas within the TAS faculty curriculum at Macarthur Girls High School, Parramatta. The workshops started at 8.30am and concluded at 4.30pm.

First on the agenda for the day was a talk by Peter Thompson from the Board of Studies on the Australian Curriculum for TAS subjects. Peter assured the teachers attending the conference that any new implementation of changes to curriculum would be approximately around 2016. Some of the new areas for implementation will involve computational thinking (problem solving skills and techniques that use computer science).

The rest of the day was divided into two three hour workshops that the TAS faculty broke down into groups to attend. Some of the workshops included Moodle for Hospitality, Cake Pops, Soda Can Art, cheese making and 21<sup>st</sup> century focus on homework.

**Moodle for Hospitality** – this workshop encouraged teachers to revamp the current Moodle site for Hospitality by using befunky.com and making photos attached to the course more student friendly. The course enabled teachers to work with colleagues from other schools to compare what students are completing in a very popular VET course. This section of the workshops will be incorporated into VET Hospitality.

**Soda Can Art** – this workshop was a focus on how students can convert a full can of soft drink into a small trinket box using design principles. It was certainly amazing how one can of drink can be converted into a present that could be given to friends or used to store a silver jewellery ring that is made whilst in year 8. An extension activity with soda cans meant that a small plaque could also be made utilising recycled materials. This section of the workshops will be incorporated into the stage 4 Technology (Mandatory) curriculum.

## Photos from the Soda Can Art workshop

**Cake Pops** – this workshop was extensive and teachers learnt how to make and decorate a new trend in Food Technology. This section of the workshops will be incorporated into the stage 5 Food Technology curriculum.

**Cheese Making** – this course utilised how students could turn milk into cheese within one hour. This section of the workshops will be incorporated into the stage 6 Food Technology curriculum.

A previous Pittwater High student was the caterer for the day. Homemade scones were provided for morning tea and a beautiful lunchbox which included a chicken wrap, couscous salad, mini frittata and homemade friand.

From the TAS Faculty

# ENGLISH

## Stars in Sandy Feet

The Pittwater High School English Department would like to extend a huge **CONGRATULATIONS** to our outstanding writers who entered our local bookstores' writing competition in celebration of our local area. Berkelouw Books Mona Vale welcomed entries to their short story competition that were based in the Pittwater area and included the words, '**SANDY FEET**'.

We are very proud to announce that our students, Chloe H and Ailish S, both of year 10, received joint First Place prizes for their original stories in the 13-16 age category. Their stories are beautiful and were read aloud at the awards ceremony. Zoe C of Year 8 received a Highly Commended award for her story. We also celebrate those students who were shortlisted for their stories; David E, Kezia H, Eve G, Tallulah G, and William B. Congratulations to all of our dedicated and diligent students who turned in stories this year; we appreciate your talent and your beautiful perspectives in storytelling.

Every year Berkelouw Books Mona Vale extends an invite to the Pittwater Community to write stories that are based on the Northern Beaches and specifically in the Pittwater area. They provide a stimulus for us to include and welcome all stories that have met the criteria. This instigates a stronger community sense for all, especially our youth! Each year they are astounded at how well our youth develop their perspectives and share their individuality through storytelling, as are we.

**Thank you Berkelouw Books Mona Vale and Well Done Pittwater High School!**

## A Midsummer Night's Dream

Hear Ye Hear Ye! All ye merry maker of Year 8! We are thrilled to have organized a day at the theatre for you to enjoy William Shakespeare's most celebrated comedy, A Midsummer Night's Dream.

You will be enjoying this long time classic in the Playhouse at the Sydney Opera House on 2 August 2013, Friday Week 3. Voyager buses will transport us door to door and you will be enthralled with the afternoon show.

All details are on your permission notes that have been emailed home to all year 8 parents.

**Please return your permission notes with your payment to the Red Box by WEDNESDAY 24 July.**

This is a firm deadline! Please ensure you accept the honour of this pleasurable event by getting your notes in by Wednesday.

Thank you, The English Department

# HSIE

Welcome back to Year Twelve who completed their Trial Higher School Certificate examinations in the last two weeks of Term Two.

I appreciate that students can be disappointed with their results, but the early trial provides a wonderful opportunity for students and teachers to work closely together to improve understanding and skills. Students can make a significant improvement if they take on feedback provided by teachers and attend every lesson before the Higher School Certificate examination.

The Trial examination period provided an opportunity for staff to have professional development time to continue our whole school focus on student engagement and curriculum differentiation. The Australian Curriculum will be implemented in 2014 for Year Seven and Nine History and we were able to program and resource three units of curriculum differentiated work on What is History?, Medieval Europe and The Holocaust. We will trial and modify these units of work this year.

## PITTWATER MOCK TRIAL TEAM ACHIEVES ANOTHER IMPRESSIVE VICTORY

On Wednesday 26 June, the Pittwater Mock Trial team competed against Masada College for Round Four of the competition. The team consisting of Chloe G, Nick E, Tim K, Sabrina G-G, Ainslee E and Nicola C presented were the representing the Plaintiff arguing their case of negligence against Masada College, who were representing the defendant.

After tough competition from Pittwater were able to convince the Magistrate of the defendant's guilt. I would like to commend the team on their fantastic efforts throughout the competition. The Mock Trial requires a great deal of time and commitment from these students. I would like to thank all who participated in the competitions for their enthusiasm and effort.

Alyce Peruzzi

The Mock Trial team have achieved a number of victories against state and mainly private schools this year. The team is very talented and hardworking and they work collaboratively both in preparation and under the pressure of a Trial. Miss Peruzzi has high expectations for the students and she works tirelessly to ensure the students are well prepared. I thank her for all her efforts.

## ADVENTURES AT STATE PARLIAMENT

On 17 June I represented Pittwater High at the NSW State Constitution Convention in Macquarie St, Sydney. There we discussed the upcoming proposals of changes, the benefits and the powers that the Senate currently hold and may and may not hold in the future. It was extremely enlightening (and a bit intimidating!) to be in the rooms where some of our State's most important decisions are made and leaders sit. We met with Professor Anne Twomey who teaches constitutional law at USYD and The Hon. Adam Searle MLC, shadow minister for small businesses. Overall it was a great experience and I gained a lot of knowledge about how our state parliament works, and I would like to thank Ms. Behringer for the opportunity.

Tyler H, Year 11.

# HSIE—cont

## COMMERCE NEWS

Commerce is studied at Pittwater High in years 9 and 10. It is the type of subject which is suited to discussion, student activity and participation.

This year's talented Year Ten Commerce group have been studying consumer issues, investing and work issues.

At present, they are studying Buying a Car and have prepared a checklist for the informed car buyer, which they tested on a used car in the school grounds. Other work of interest includes an OH&S audit of the school and an investment contest on the Australian Stock Exchange.

Commerce students are looking forward to their field trip to Warringah Mall and the opportunity to practice the multiple choice test for learner drivers. Like last year's field trip to the Royal Easter Show the Warringah Mall field trip concentrates on consumer issues and sees students preparing a report including interviews, surveys and SWOT analysis.

Colin Green

## YEAR EIGHT HISTORY

Year Eight have enjoyed working on the Colonisation and Contact assessment, with a focus on The Aztecs. The task allowed students to select tasks which focused on verbal and written communication, mathematical, visual, kinaesthetic and musical talents. Year Eight developed skills including knowledge, understanding, analysing, creating and evaluating. Activities included preparing a brochure of Aztec medical tips, creating a primary school Maths textbook using Aztec numbers and characters and creating a replica musical instrument.

The most popular task was creating an authentic Aztec recipe and we enjoyed tasting the final products. Year Eight enjoyed this differentiated activity and they produced some excellent products. They also assessed their own work and the work of their peers.

## HSIE—cont

### YEAR SEVEN ARCHAEOLOGICAL DIG

Both 7A and 7R enjoyed preparing and participated in the archaeological dig. Students learnt about archaeological techniques and the way archaeologists work. At home students were required to create a mystery through a collection of artefacts. Year Seven enjoyed this creative, hands on activity.

## HSIE—cont

### A VERY SUCCESSFUL MARKET DAY FOR YEAR 11 BUSINESS STUDIES

The annual Market Day incursion for those students studying Business Studies in Year 11 was held at the end of Term II. The aim of the day is to give students of Business Studies the opportunity to construct a Business Plan for a business/market stall that they will conduct on Market Day; and then to implement that Plan on the market-day. In addition students also get the opportunity to apply some practical management skills so that their stalls are a profitable enterprise.

The day was very successful for all participants. An in class financial analysis of each business after the Market-day of the financial structure of each business revealed that profits ranged on the day from \$30 to \$ 200. No business made a loss on the day. All business operators kept their profits from their sales.

In order to make the exercise more financially realistic all businesses were charged a fixed cost of \$30 per market stall. A total of \$360 was raised by the teacher organisers. This money will be donated in equal amounts to Stewart House and to The Chris O'Brien Life House at RPA.

### YEAR 9 STUDENTS DEVELOP BOARD GAMES TO LEARN ABOUT AUSTRALIA

The students of Year 9 Geography have recently presented their most recent assessment task: to develop a board game that teaches other students about the physical characteristics that make Australia unique.

The classes divided into working groups of 3 or 4 students and each group set about developing their own unique and interesting board game. At the end of the project students were required to test their games by playing other students games and to assess each game for its instructional value and entertainment value. All students enjoyed the project. "It was instructional and fun" said Evan. Jackson's group developed a game based on the popular card game UNO where players were required to answer questions about Australia in order to win the game.

The project created excellent opportunities for each student to learn about Australia on their own terms and to progress their learning experience on their own terms!!!!

Great move!!!!

Mr D explains a winning strategy

# AGRICULTURE

## WHAT A TERM!

If you are interested in eating you are interested in Agriculture. This term has been **HECTIC**! Year 12 have worked consistently to prepare themselves for the trials. Year 11 have completed their poultry breed trials, while year 10 cared for and managed two calves – Rick and Steve. Rick was very friendly and won the weight gain competition. Year 10 are to be congratulated on maintaining a high standard of management. Each day (yes even on weekends) the calves were fed, their bedding changed and given a measured amount of pellets. Special mention must be made of Meagan, Chloe and Caelan for their work on weekends. I am not sure there are better ACED calves in Australia. Our thanks to Cindy (from the canteen) and the Doyles who at midnight found the calves who Mr Rawlinson had locked on to the **WRONG** side of the fence. During the pouring rain, our trusty parents filled the role of cowboys and cowgirls.

Year 9 produced a **SUPER** crop of broilers that were closer in size to turkeys than your typical roast chook. Definitely family size. They managed on school processes from cleaning and disinfecting the shed before arrival up to cleaning it out when they left. Marketing is a key aspect to the success of any Agricultural enterprise and our chooks sold like the proverbial hot cakes. Even though they were champions our sheep has gone to greener pastures. Mr Thatcher went to Bathurst to secure some more champions that will be prepared for next year's show by year 9 next year.

Year 8 had their first taste of animal management with caring for layer hens. Some students have taken day olds home and eagerly await the arrival of fresh eggs .... in December. Exciting hardly describes the atmosphere when the chicks arrived. We also hatched some of our own layers and specialty bantams. What a treat.

We ended the term eating the products we had grown including eggs and beef with Trenton, Jake, Mitch, Aaron, Rahil, Harvey and Declan cooking a BBQ for all Ag students. Our American visitors were treated to some kangaroo burgers.

Thanks for your effort boys.

Our thanks to Mr Lloyd for all the seedlings, care outside of hours, travel out west so often and viticultural advice. Mr Smith for his willing support.

# CAREERS NEWS

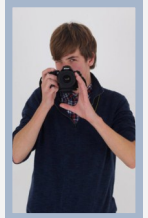

## WORK EXPERIENCE

So far this year we have had students who have taken a week out of school to experience working life in a variety of industries:

**Zookeeping** ~ **Consulting** ~ **Fitness** ~ **Media** ~ **Acting** ~ **Nursing**

PS please forward any photos you may have from the work experience week to me for further updates!

A reminder that documentation needs to be returned to me two weeks before the work experience takes place. It needs all the relevant details of the work placement and it most importantly (for insurance reasons) needs to have signatures by the student, the parent, the employer and lastly the school official, (me).

Most school weeks are available to undertake a work experience except in the assessment periods in term 4, (subject to classroom teacher's approval).

**It is an invaluable experience, so year 10 students-approach an employer today!**

**HELP 2 DRIVE** FREE WORKSHOP FOR PARENTS AND YOUNG DRIVERS

## Northern Beaches

A problem shared is a problem halved

So come share your ADHD-related problems ...

The Northern Beaches ADHD Support Group is a new voluntary group offering support for parents of children or teenagers with ADHD via regular meetings.

The group is run by parents and aims to provide a supportive environment to discuss and learn more about ADHD and its co-morbid conditions in order to best help parents and kids alike.

### SPECIAL GUEST SPEAKER

**SARAH WILKES-GILLAN**

**"Supporting the Social Skills & Friendships  
of Children with ADHD"**

Sarah Wilkes-Gillan is an occupational therapist and postgraduate teaching fellow at the University of Sydney. Sarah has worked with families of children diagnosed with ADHD and autism spectrum disorders as well as children with social and learning difficulties. Sarah is also a PhD candidate who has been involved since 2009 in developing a play-based intervention aimed at improving the social play skills of children with ADHD aged 6-11 years. Her presentation will primarily be aimed at children in this age group but she will also touch on how this affects older children and teenagers.

Mona Vale Memorial Hall (next to the library)

1606 Pittwater Road, Mona Vale 2103

Next Meeting: **Monday 29 July 2013**

Time: **7.00-8.30pm**

A \$2 donation would be appreciated to help cover costs

- EFTPOS facilities available - 1% surcharge on credit card purchases
- Cheques are to be made payable to "Pittwater High School Uniform Shop" and have a 5 day clearance hold on items purchased.
- All orders must be accompanied with payment and put in an envelope, clearly marked "Uniform Order", and placed in the Red Box in A Block or given to a supervisor in the canteen. Collect uniforms during opening times.
- A selection of second hand uniforms are available for purchase at reduced prices
- The Uniform Shop is open every Tuesday and Friday from 8.15am to 11.15am, and located at the far end of the Canteen – enquiries 9979 6968 or contact the Uniform Shop manager Kim Gobbe.
