

Outstanding HSC results

Principal's Report—Jane Ferris

Congratulations to the class of 2014 for outstanding HSC results which reflect clear growth at Pittwater High School over recent years. Over 26% of the cohort group received top band 6 results (90+) in at least one subject. Over 80% of students received one or more results in the top two bands with nearly 300 results across bands 5(80+) and 6. Results by subject were also very impressive, with 84% of subjects above the state for results in these top bands. Many students also received ATARS in the 90's – special mention of Sophie Wakefield who was dux with 97.35 followed by Ewan Coopey on 97.3. They both also achieved the prestigious Premier's Award for Excellence having received band 6 results in 10 units. All subjects did extremely well including the following that clearly excelled: Extension Music with all 4 students receiving the top band, French Beginners 61% (11 students) receiving band 6 and Textiles and Design 50% of students in the top band. All teachers at Pittwater are also to be thanked and congratulated on their dedication to teaching and supporting their students. We will be celebrating these successes at a **Recognition Assembly** for the Class of 2014 on Thursday 12 February at 9am.

A warm welcome to new staff

We are very fortunate in the calibre of new teaching and executive staff to Pittwater High School. Firstly can I welcome Mr Ben Rekic our new Deputy Principal. Mr Rekic comes from Bonnyrigg High School where he was responsible for student wellbeing and engagement, plus teaching and learning. His extensive experience in these areas, including clear expertise in literacy development and gifted and talented education, will support our school and the work of the senior executive. Mr Rekic will be responsible for years 8, 10 and 12 and Ms Andrews for 7, 9 and 11. A thank you to the great work of Ms Rachel Fleming who was relieving Deputy last year. She has now moved to the newly created position Head Teacher Student Wellbeing and Engagement. Mr Nick Johns has been appointed the new Head Teacher PDHPE and brings enthusiasm and experience from his work at Forest High and from overseas. Thank you to Mr Mark Dailhou who was relieving in this position last year. Congratulations to Ms Vanessa Cesta who now is the substantive Head Teacher Administration – we are delighted at this appointment because of her clear skills in technology and systems. Also we welcome to the school for 2015 Ms Samantha Keen and Mr Patrick Cigana in English, Mr Ahmed Hamed and Mr Endaf Price in TAS and Ms Natalie Oates in Visual Arts.

Year 7 all ship shape

What wonderful young students have chosen to come to Pittwater High – with such calibre students we will continue to shine as a strong local comprehensive high school. Welcome to you all and your families. I look forward to seeing you as I visit classrooms and at the welcome BBQ on 10 February at 5pm.

Year 10 and Year 11 Information Sessions

Students and parents need to attend these important sessions on Wednesday 4 February: year 10 at 6pm followed by year 11 at 7pm. Separate flyers have been emailed home with hard copies distributed to students outlining the program.

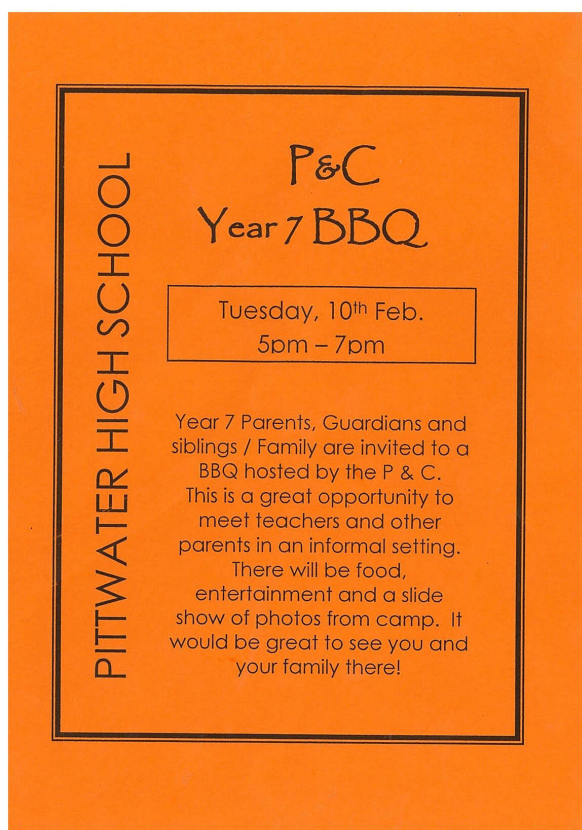

DEPUTY PRINCIPALS' REPORT - Renee Andrews; Ben Rekić

It has been my very great privilege to join the senior executive team at Pittwater High School in 2015 and I would like to extend my sincere thanks for the overwhelmingly warm welcome extended to me by staff and students. I am told that this is the Pittwater way, and it is fantastic to be able to contribute to a school whose ethos has at its very core a strong emphasis on inclusion and support.

The predominant impression that I am left with is one of a culture of rapport and support between teachers and students. This is evident everyday in the incidental conversations I hear in the hallways and playground, which are invariably positive and reflect the very good regard that each member of our community has towards one another. Upon this important foundation lies the success of the many welfare and curricula programs at the school, which are too numerous to list. So too, the school's consistently strong achievements in the HSC and NAPLAN reflect a learning environment that meets the needs of students and the ways they learn, rather than one which adopts a "one fit for all" approach to education. Central to this has been the school's ACED program, creating a proactive culture of differentiation and accommodation to best match teaching and learning with the needs of students.

I look forward to meeting all members of the school community in the coming years, and in supporting the integration of the school's motto of "truth, courtesy and courage" in all aspects of your child's education.

Ben Rekić

It has been great to see students back at school this year wearing their uniforms and so well prepared for learning.

Year 7

We are looking forward to seeing you all at the Year 7 BBQ which will also incorporate an information session on Cybersafety.

Year 11

The information evening on Wednesday 4th February at 7pm will cover essential information for successful learning in the preliminary year. Assessment books will also be distributed.

CALENDAR

STUDENT WELLBEING 2015

Welcome to 2015. Over the year we look forward to working with parents, students and the school community to help support your child in their learning and give them the knowledge, skills and resilience needed to make the most of their learning experiences. We would like to take this opportunity to introduce the Student Wellbeing Team for 2015. While all staff at Pittwater maintain a strong emphasis on wellbeing the team below will work together to create experiences and opportunities that help to build confidence, decision making and communications skills, resilience and the ability to work collaboratively. We look forward to seeing our students thrive in 2015.

Throughout the year there will be useful links and websites included in this newsletter and on our website to help support you and your son/daughter.

We look forward to meeting you at upcoming events.

YEAR 7

Welcome Year 7 2015

On Wednesday 28 January, Pittwater High welcomed our new Year 7 cohort for 2015. Even all the rain couldn't hold back the smiles many of the student's had as they began their first day of "high school".

The students were teamed up with their Peer Support Leaders in the morning who helped them to understand their new timetables, meet other students and get to know the daily routine of the day. The Year 7 students were treated to a sausage sizzle by their Peer Support Leaders for lunch and were able to mingle and relax after a very busy morning. The afternoon was spent meeting some of their new teachers and classmates for periods 4 and 5.

It is often a huge step for many students when they start secondary school. There are different classes, teachers and subjects to get used to. Different buildings, bell times and even different ways of getting to and from school each day.

Peer Support is a valuable program at Pittwater High School. The leaders assist the Year 7 students to manage these challenges and offer a friendly face they can turn to.

The Peer Support Leaders will continue to run small group sessions throughout Term 1 and 2 this year. We wish all our new students the very best as they transition into high school.

Ms Therese Lagois—Peer Support Co-ordinator

ENGLISH

Big Questions have been asked and learning challenges posed.

We are enthusiastically planning our co curricular opportunities for Term 1. Debating teams have been formed for Years 9, 10 and 11 competitions, and later this term we will commence our lunchtime Writers Group and Book Club.

We welcome Ms Samantha Keen and Mr Patrick Cigana to our faculty. Both have taught Years 7-12 in their previous schools and will productively contribute to the skill set of our team.

Your involvement in your child's learning is an essential ingredient for success and I encourage you to maintain communication with their teacher.

Ms Penny Waters - Head Teacher

MARINE AND AQUACULTURE TECHNOLOGY

The staff in the science department would like to thank all of those parents and staff who kindly donated their old aquarium equipment to the Marine and Aquaculture Technology program last year.

The resources will be utilised this year by our marine students in the aquaculture of silver perch and blue-claw crayfish, however we are still seeking some final resources, so if you have any old aquarium supplies such as aquariums, heaters, air pumps and filters they would be greatly appreciated.

In order to improve our program we are also sourcing some old fishing tackle such as hand reels, rods, crab traps and fishing line. The science department is also looking for old pool fencing that is needed for an upcoming large scale aquaponics project. If you are looking to clean out your shed or garage and would like to donate such equipment please contact Mr Cannings or Mr Tucker in the science department.

YEAR 9

Welcome back for all Year 9 students from Mrs Roulston and Mr Lutton.

I am expecting big achievements this year from all students especially in the wearing of the correct uniform.

In line with these high expectations on 27 February (week 5) we will be running a leadership workshop for the whole year to encourage students to participate in leadership roles within the school and resilience and coping skills.

The note will be out towards the end of this week.

PITTWATER HIGH SCHOOL

TERM 1 RECREATIONAL SPORTS 2015 (8 weeks)

STUDENTS MUST SELECT 3 SPORT CHOICES FOR TERM 1 2015. SELECTIONS WILL TAKE PLACE THROUGH AN ONLINE SYSTEM IN WEEK 2.

Risk Notice

Civil Liability Act 2002

Sailing is a sport that involves interacting with the uncontrollable and difficult to predict elements of nature, and therefore involves a degree of risk. Many of the risks inherent in the sport are intuitive. Without seeking to list all possibilities the following are brought to your attention:

- There is a significant risk of bruises, cuts, scratches and other injuries resulting from contact with the boat or collision with other boats. Flapping sails, or unanticipated changes in wind direction or in the direction of the boat can cause a spar to bump the head or other part of the body or cause a rope flick injury. These injuries can occur both afloat or while near a boat on land.
- When launching or coming ashore, hard surfaces below the high tide line can become slippery, resulting in slip and fall injuries. Oysters and other sharp marine creatures can also grow on these surfaces. Stinging jelly fish or other marine stingers may be present in the water. Sharp objects can be hidden in sand or weed below the water which can cut or pierce feet or other parts of the body. Proximity to the elements makes it more likely for nails or splinters to be raised in wooden decks and floors and these can also cause foot injuries and trip hazards. The wet feet of sailors can make surfaces slippery.
- Because of reflected glare, sunburn will occur more rapidly than normal on unprotected skin. Dehydration or hypothermia can occur in those who do not heed and prepare for the conditions.
- Most injuries are relatively minor. However on occasions the injury can be more significant.
- When sailing dinghies on inshore waters, really serious injuries of the type that can cause permanent disablement or even death are statistically very rare but can and do occur. As with any water sport, the possibility of drowning is also present. While for many sailing activities a patrol boat might be present, the boat cannot be everywhere at once, can not observe every incident that occurs and may not always recognise an observed incident as being a serious one requiring immediate response. First aid or medical assistance is not available.

I have read and understood the above risk warning and I agree that I participate in the sport of sailing at my own risk and I acknowledge that neither The Royal Prince Alfred Yacht Club ("Club") nor any official, volunteer or member shall be under any liability whatsoever for the death or bodily injury, loss or damage which may be suffered or incurred by me or the minors for whom I am responsible. I also acknowledge that neither The Royal Prince Alfred Yacht Club nor any official volunteer or member shall be under any liability for any loss or damage to personal property which may be suffered or incurred by me or the minors for whom I am responsible.

I understand that I or the minor for whom I am responsible may be photographed while participating in activities conducted by the Club and I hereby give permission for the use of my name or the name of the minor for whom I am responsible to be used in all forms of media for the promotion of the Club.

Reducing Risk

You can help reduce risk to yourself by always following these guidelines:

- Always wear footwear while sailing or on the Club premises;
- Always wear a life vest and adequate sun protection and carrying drinking water while sailing;
- Always examine launching ramps before using them to see how slippery they are;
- Always check the weather forecast before going sailing. Always follow the directions of your Instructors.
- Do not run or skylark when around the Club, especially on the car park, marinas and on launching ramps;
- Beware of flapping sails;
- The Club is not responsible for supervising minors while ashore. This is the responsibility of their parents or delegated adult.

CAREERS

Welcome back to another exciting year at Pittwater High. Please don't hesitate to contact me via phone or email if you have any questions.

Year 12/Year 11: some students started TAFE courses this week at Brookvale TAFE, Freshwater Campus and St Leonards TAFE. Please tell me if you can't make TAFE for any reason.

Year 10: Careers Lessons this term, once a fortnight). We are registering for the new pittwaterhighcareers website, investigating undertaking an optional work experience week, taking interest tests to help decide on suitable future careers and more!

JOBS: Students need to check their department emails regularly for advertised jobs!

Also, checkout www.seek.com.au for more jobs or The Manly Daily for local jobs!

Ticketmaster: is recruiting students who are 17+ years old for casual box office positions at Brookvale for autumn and winter events, i.e Manly Football games and the Easter Show. See me for further details.

YEARS 10, 11 AND 12 STUDENTS: Please log onto the MHSCareers website-Pittwater High School subscribes to this website which advertises current careers events. To login: use "parent" or "student" then password "14cairns". You can also register for email alerts! The "Calendar" is great info!

Or for more general careers information, look at our Careers website by checking out CareersWorks, (the password was emailed earlier to students and parents but please email me if you don't have it).

Also, we have created the Pittwater High Careers website to trial this term, please have a look and encourage students to register!!

I would love some feedback on the above websites, please email me on jocelyn.bates@det.nsw.edu.au

J. Bates, (Careers Adviser, EXT 106).

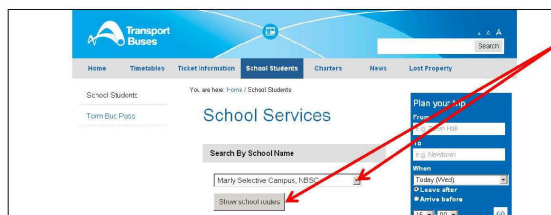

Dear Parent,

With the 2015 school year upon us we would like to assist you with searching for possible school services which may be available to your child. Please follow the steps below to access timetables and maps of all school services to and from your child's school.

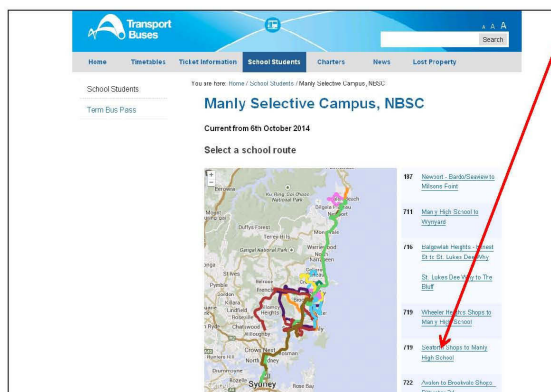

Enter the Sydney Buses website – www.sydneybuses.info

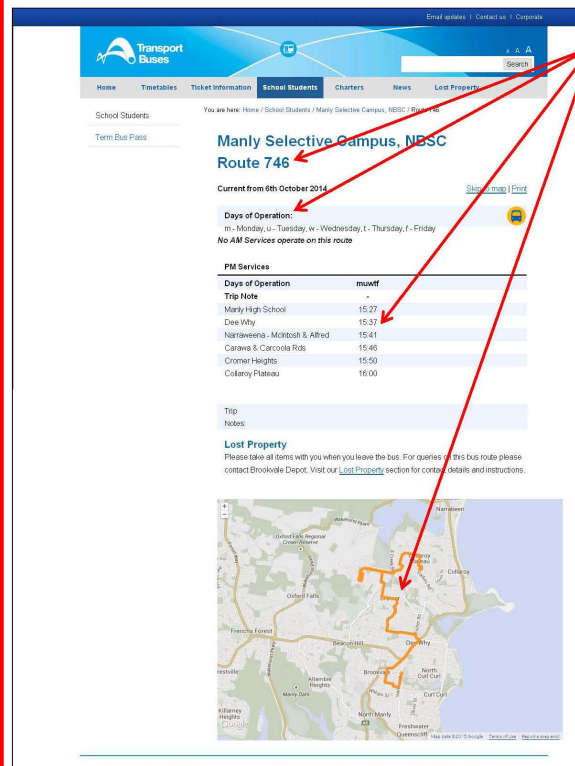

Click on the School Routes link

Select the School and then click on the Show school routes tab

Review map and list of School Services and click on School Service route for timetable information

Detail of the trip can be found here including timetable, map, days of operation and addition info such as trip restrictions, where applicable

School Student Travel Pass Info

Whilst Transport for NSW are processing new pass application a grace period has been established where a school student travel pass is not required to travel on school services. This grace period will continue to Friday 10 February 2015 inclusive.

And as a reminder a new school pass application is required when a student: enrolls in kindergarten, progresses from Year 2 to Year 3, progresses from Year 6 to Year 7 or changes name, school and/or address.

A School Student Travel Pass application form can be picked up from your school's administration office.

Yours sincerely,

Sydney Buses
Northern Region

PITTWATER HIGH

Northern Beaches

SUPPORT GROUP

A problem shared is a problem halved

The Northern Beaches ADHD Support Group is a voluntary group offering support for parents of children or teenagers with ADHD via regular meetings. The group is run by parents and aims to provide a supportive environment to discuss and learn more about ADHD in order to best help parents and kids alike.

SPEAKER EVENING: DR MARK ROBERTSON **"THE BIOMEDICAL TREATMENT OF ADHD & AUTISM"**

- What is the biomedical treatment of ADHD & Autism?
- What are the main biomedical imbalances of autism & ADHD?
 - What is Pfeiffer testing?
- What tests will a Biomed doctor order & why?
- Why you may need to consider a dairy free & gluten free diet
 - What advanced testing entails
- What are the usual treatment protocols?

Dr Mark Robertson is a member of the Australasian College of Nutritional & Environmental Medicine and has completed their primary course and various specialised training programs. He has attended Pfeiffer Walsh training for autism & mental health problems as well as MINDO training (autism treatments). In 2013, he passed his Part 1 Specialty Fellowship exams for both ACNEM & AAM/ASM (American Academy) colleges. In 2014 he attained full Fellowship (Specialist) in both colleges. Being a specialist in both colleges truly integrates the best of nutritional medicine from the USA & Australia helping him treat his patients thoroughly.

Monday 9th February 2015 @ 7.00-9.00pm

enquiries 9979 6968 or contact the Uniform Shop manager Kim Gobbe.

15 October 2014.

CANTEEN NEWS

Hi everyone

Welcome back to another fantastic year at the canteen!

A big warm welcome to our volunteers and an especially big hug to our new mums joining us for the first time .We would not be able to produce the quality and variety of food that we do everyday without your help so thank you everyone.

Now down to business.

The canteen will now be able to offer you a new system of labelling that endeavours to protect our students from allergic reactions to nuts.

The system is a red **"Nuts Allergy Alert"** sticker attached to the packaging of the product as well as a round red sticker attached to hand-made individual products.

In a menu item such as salad ,the nuts will be offered separately in a small bag also sporting a red dot sticker.

As always our staff and volunteers will ask each student if they are "ok" with nuts ,so we have several lines of defence but we are not able to guarantee that our products are 100% nut free.

Gluten free products are also available from our canteen and can be pre-ordered for lunch. Our menu offers daily specials and a number of set menu items that are always available to our gluten-free students and staff so come and have a look or have a chat with us about our gluten free options. As with nuts we cannot guarantee that our products are 100%GF.

We would like to ask our volunteers to please wear covered shoes and to tie hair back to help us with our health and safety standards.

See you at the canteen
Felicity ,Katrina, Cindy and Diana

Wednesday 4 February

Belinda Hodges, Fiona Griffith

Thursday 5 February

Dianne Del Pozo, Kate Bryant, Sheridan Femia

Friday 6 February

Debbie Havenstein, Sue Nicol, Kim Haywood-Matty, Susan Crosse

Monday 9 February

Tory van Brugge, Tanya Leishman
