

Change to subject selection processes in the junior school

Principal's Report: Jane Ferris

This is to inform you that the subject selection evening that was scheduled for week 4 of next term has been cancelled. Because of growing numbers in our school we need to start the timetable process earlier to give sufficient time to recruit new teachers. Therefore we need students in years 7 and 8 to choose their elective subjects earlier. The subject selection booklets on our school website will be updated by the beginning of next term and a link emailed out to all parents. Students will then have year meetings on Friday 17 July where the process will be clearly explained and any questions answered. Students will make their choices online by the following Wednesday 22 July. Year 7 students will be choosing one elective for year 8 in 2016 and year 8 students choosing three electives that they study over year 9 and 10. Our timetable system is very sophisticated and finds the best fit to accommodate the most students. This is a very exciting time for our students as they get to choose areas of study that particularly interest them.

In addition, there is the opportunity in 2016 for up to 24 year 9 students to participate in accelerated Preliminary HSC course Aboriginal Studies. At Pittwater High School we have been consistently reviewing our provisions for academically gifted students and have concluded that our gifted and talented year 8 students have the academic potential to achieve success in this HSC course starting next year. Potential students have been invited to apply for this course and attend an information evening about this on Tuesday 14 July at 6.00pm. If your child did not receive such an invitation but you believe they should be considered please contact Ms Behringer to discuss.

Uniform

The school continues to have high expectations in terms of uniform. I thank all of the students and parents for their support in following the uniform policy. The message we send to the broader community when students are in full school uniform is that Pittwater High School is a well disciplined and ordered school. This enhancing of the school's reputation will reflect on the young people who attend here as they leave the school to work in the community.

However there are a group of students that are deciding they do not need to bother. Parents are asked to ensure that any uniform items that need mending or replacing is organised before the start of next term. In the colder weather boys are welcome to wear long grey school pants (available from Lowes) and girls to wear long black school pants available from the canteen (open before school on Tuesdays and Thursdays). Also school shoes (not boots) are to be enclosed all black leather. Boys are to wear either white or grey socks and girls white socks or black tights/stockings. Black socks are not uniform.

Dropping off students

Parents are reminded that they are not to drive into the school grounds to drop off students. Access is for staff and deliveries only. Thank you for your cooperation in this matter.

Musical Magic

I am greatly looking forward to seeing the musical the Wedding Singer next term. I know students have been busy rehearsing every Sunday and after school while others students and parents have been assisting with props and costumes. Great thanks to Ms Myers and Mr Gleeson for working hard on this production and having further rehearsals in the holidays.

Tickets available at trybooking.com

ATTENTION ALL PARENTS/CARE GIVERS!

COMMENDATION ASSEMBLIES

Will be held Term 3, week 3

Monday 27 July. Years 9, 10 & 11 - Period 1 @ 9am

Monday 27 July. Years 7 & 8 - Period 2 @ 10.10am

All parents & caregivers are welcome to attend Pittwater High's
2015 Commendation Assemblies in the school hall.

Look forward to seeing you there!

Year 11 Camp 2015

Last week Year 11 enjoyed 3 fantastic days at Point Wolstoncroft Sport and Recreation Centre on the shores of beautiful Lake Macquarie.

We were lucky to miss the worst of the bad weather further down the coast and all students participated in the camp activities with enthusiasm.

The students successfully completed the 'Crossroads' program, which is mandatory in the Preliminary HSC year, and included workshops on positive mental health, attitudes towards the opposite sex, illicit substances and health and wellbeing.

They also had lots of fun challenging themselves at various outdoor activities such as the giant swing, high ropes course, rock climbing, kayaking and the mysterious (and muddy) wombat hole.

The theme for the camp was 'Be Inspired!', and the Year 11 group were asked to interpret this in their own way – by challenging themselves at a new activity, by making friends with someone new, or by strengthening existing friendships.

We feel that Year 11 really bonded as a year group at this camp, and has learnt new things about themselves and their peers.

Thank you to Mr Johns, Ms Fleming and Mr Cigana for giving up their time to accompany us on the camp. Mr Johns and Ms Fleming did an amazing job facilitating the Crossroads program.

We were highly commended by the camp staff on the positive attitudes and exemplary behaviour of our students. We left as proud Year Advisers, and look forward to taking this group through to their HSC year.

Kirsty Cosentino & Colleen Lustig—Year 11 Advisers

Year 10 Project Based Shakespeare

Year ten have currently been exploring the connections between William Shakespeare and our world and enabling an audience to understand why Shakespeare is still so relevant. In doing so each class have been producing visual representations on their plays that they've been studying dependent on allocated ideas relative to their plays.

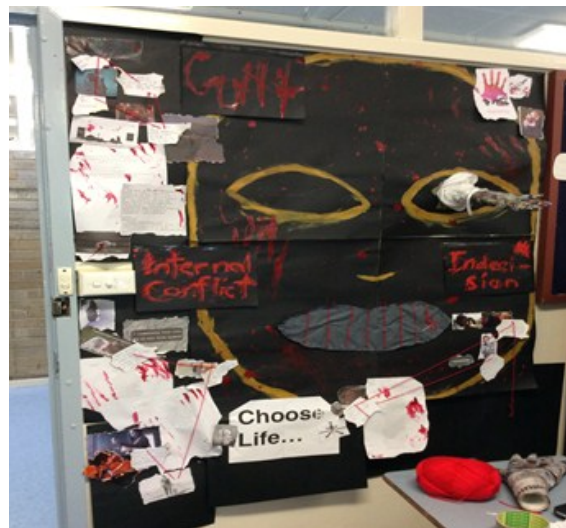

Mr Leonard's class were studying the play *Julius Caesar*. Having looked around Mr Leonard's room, all we could see was glitter paint and slightly obstructive hanging objects. We first interviewed Patrick Gilliland whose idea was femininity and its relationship with the real world. When asked what his favourite part of the assignment was he responded with, "I enjoyed working with a group and also the art part of the assignment was really fun." Eliza Crone, told us "I loved the creative part of the assignment! I'm a visual learner as well as an artistic person so I really enjoyed that." She then went on to say "My group was really helpful." We found Kobie Heather and asked her what she learnt from the assignment "I learnt a lot about Shakespeare and how we find his ideas in our modern society. I also learnt about friendship because of the play."

Mr Cigana's class explored the play *Julius Caesar* all groups successfully achieved the criteria of fulfilling and interpreting information, texture and images allowing the audience to engage with the visual representations. When asked what his favourite aspect was Brandon Stain, whose issue was masculinity, said "The making of the poster, working with my friends in creating something was actually really fun. Even if it was about Shakespeare." Tihana Van Wynen whose group faced time management challenges because of other school commitments said, "I enjoyed the assignment despite not being there every lesson, it was rushed but it was still really fun!" They were portraying the idea of the supernatural.

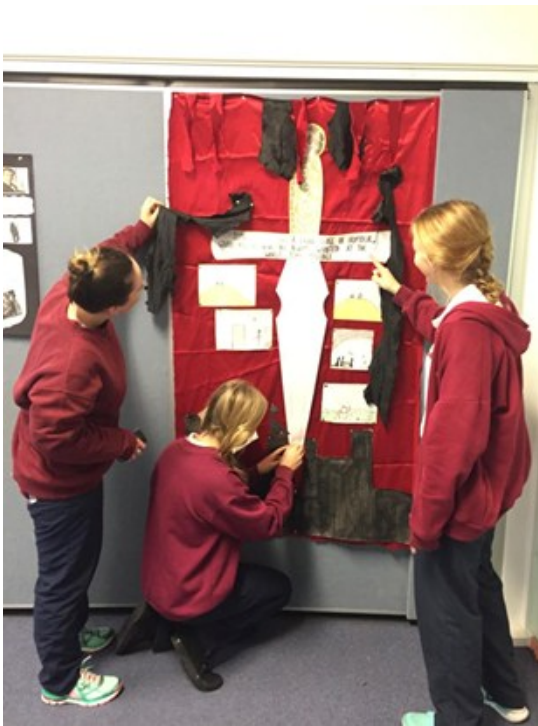

Two of Ms Purvis and Ms Keen's students who presented the idea of guilt, indecision and internal conflict within the play of *Macbeth* commented, "I believed it helped develop team skills" "and there was no conflict within my group which helped a lot," admitted Blake Williams. Jordan Hess another member of the group added "Yes. Our group was the best. We all got on really well". The year tens genuinely agreed that through the assignment they learnt much more than they previously anticipated. Not only had they equally contributed to the group work they further developed their understanding of the Big Question ,How Shakespeare's *Macbeth* transcends time, culture and creed but also real life skills.

Year 10 Project Based Shakespeare—continued

Mrs Mitchell's class also studied *Macbeth* and how it is relatable because all of Shakespeare's ideals and concepts can transcend time and prove their relevance no matter the generation. Having spoken to Isabelle Currie about her issue of guilt she showed positive insight to the assignment "The notion of guilt includes that of violation and culpability. We considered conduct involving the commission of such crimes, as in *Macbeth*. "She then went on to describe the planning and overall aspects that were involved in her visual representations. "My group and I brainstormed ideas and put them together, with only few compromises. Blood; the blood on Macbeth's hands, murder; Macbeth's crime, floating dagger; the supernatural force that pushed Macbeth to do it, guilt the emotion felt after the crime" When asked about her reasoning for her ideas Isabelle responded "It was the most visually appealing design that included all of our elements, information and pictures."

Mrs Zaraza and her class have been studying *Macbeth* over the course of a term. Having spoken with members of Mrs Zaraza's class we discovered that although some had difficulties, despite the struggles of uncooperative class mates and fast approaching deadlines, they learnt that the skills they have used throughout this assignment are skills useful later in life.

Overall, the year ten English students were very proud of their visual representations and the work they produced despite the stress and tears of fast approaching due dates. These visual representations are of very high calibre and have been showcased in a way Pittwater students and staff can interact with and learn from.. The students accurately depicted connections between Shakespeare and our world and have enabled the audience to understand why Shakespeare is still so relevant.

Year 10 Accelerated Hospitality Work Placement

The Accelerated Hospitality students spent week 9 out in the work force. They performed tasks from slicing and dicing onions to boning ducks. Many have been offered apprenticeships and part time jobs from their employer. Below are photos of the sites – Manly Wharf Hotel, Garfish Manly, Bathers Pavilion, Stella Pizza Collaroy, RSL Life Care, Bluewater and Whitewater Manly, Steyne Hotel, Café 1 Chatswood, and Ruby's Corner Mosman.

Mrs Roulston. Teacher

Congratulations

Congratulations Penelope and Jason of Year 10 who entered the baking section of the St Ives show recently for the first time. Both students made a cake for the "junior novelty cake section". Penelope made a "Hello Kitty" cake and Jason made a cake in the shape of a chicken. The judges awarded Second place to Jason and Third place to Penelope. What a fantastic achievement.

Softball

Pittwater High Open Girls Softball Team Wrap Up.

The 2015 Softball season finished up this term with the girls making it through to the fourth round of competition. The girls were only one win away from making back to back appearances in the NSW final 16 tournament, which is held in Newcastle. So close! However, this year's team boasted sensational levels of talent across the park and bucket loads of youth throughout the season. Stand out performers were Jade Thomas and Rebecca Milham, an awesome combination of pitcher/catcher. Great things are yet to come for this formidable duo. Additionally, cool-headed Jessica Tetlow stepped up this season to take a greater leadership/mentorship role as our third base/ home run hitter. Lucky she is well supported by the likes of Grace Hanks, Bethany Tate and Jordyn Hess. Now, looking towards the future of softball at Pittwater High, I believe it's going to be grand! Why? Well it's largely due to the "busting at the seams" talent pool of year 7/8 students who can definitely play. We were extremely grateful to have the likes of Amy , Paige, Taylah, Jemma among our mist, because each one of these players fosters a team focused philosophy and go get them attitude. Honestly, the process of coaching has been a pleasure and I'm eagerly looking ahead at the 2016 season. Training is going to start early ladies next year- Beware!

Rugby League

Under 15's Rugby League Gala day.

The Pittwater High under 15's Rugby League team recently competed in a Peninsula region Gala Day this term at Nolan's reserve Manly Vale. Prior to the tournament starting, the names of student's playing for the school was deemed the who's who of football on the northern beaches. So naturally, the boys were extremely keen to showcase a clinical display of Rugby League to their adoring fans in the community. So the script was written and the boys played their roles perfectly like a symphony orchestra, dishing out defeats to Davidson High, Forest High and Chatswood High in our pool games. However, the complexity of a gala day tournament meant players would have short intense bouts of Rugby interlaced with long drawn out waiting periods where muscle fatigue and cramping became a insignificant problem. Luckily we had a highly dedicated team of physio's (parents) and masseurs (parents) on hand to assist in preparing the boys for action.

But alas, the players displayed such focused discipline, courage, mateship and respect for the PHS jersey, poised in anticipation to carry aloft the trophy that day. But unfortunately the Rugby Gods on this day had other ideas. We narrowly missed out on a Final berth, going down to Narrabeen High. However, regardless of the end result, each player in that team did themselves, the school and their teammates proud! Superhuman Effort boys!

It's always a pleasure.

Luke Trout. Coach.

NSW Rugby Union Championships at Mudgee.

As promised, please find attached the photos of the boys.

Careers News

Parents/Carers:

Please don't hesitate to contact me via phone or email if you have any questions.

Year 12:

With trials coming to an end this week; students get a well-earned holiday break! Next term will be busy with planning for post-school options, for example; UAC applications for university entry.

Year 10:

Careers Lessons this term, once a fortnight. We will be:

- delving into our family's careers history,
- completing a personality profile and how that affects our career choice,
- researching the Careers Expo to make the most of the excursion,
- looking into subject selection choices,
- investigating the "Job Guide"!

Also, students should be looking for a suitable **work experience** employer! Remember the required documentation should be returned 2 weeks before the placement. **Photographs** of your placement would be great for the newsletter.

JOBS/Other news: Students need to check their **department emails** regularly for advertised jobs!

Also, checkout www.seek.com.au for more jobs or **The Manly Daily** for local jobs!

YEARS 10, 11 AND 12 STUDENTS: *Please log onto*

The [MHSCareers](#) website-Pittwater High School subscribes to this website which **advertises current careers events**. To login: use "parent" or "student" then password "14cairns". You can also register for email alerts! The "Calendar" is great info!

Or for more **general careers information**, look at our Careers website by checking out [CareersWorks](#), students should have the password but email me if you need a copy?

Also, we have created the [Pittwater High Careers](#) website, please have a look and encourage students to **register!!**

I would love some **feedback** on the above websites, please email me on jocelyn.bates@det.nsw.edu.au

J. Bates, (Careers Adviser, EXT 106).

SUGGESTED READING FOR THE HOLIDAYS!

A SELECTION OF BOOKS WITH MATHEMATICAL THEMES!

Science fiction

The Rithmatist Brandon Sanderson

Young student Joel is fascinated by the magic of Rithmatics, but few have the gift and he is not one of them. Undaunted, Joel persuades Professor Fitch to teach him about this geometric magic. For although Joel can't infuse his protective lines and circles with power, or bring his chalk-drawn creatures to life, he can really understand how it works. However, a daunting test lies ahead, when someone starts kidnapping top Rithmatic students at his school, Armedius Academy.

The Cold Equations Tom Godwin

A pilot is on an emergency mission to a planet whose colony is doomed if he doesn't get there. He has just enough fuel to reach the planet - then he finds he has a stowaway, a young girl wanting to be with her brother on the colony. If the pilot jettisons her through the airlock, the ship will barely make it to a landing on the planet. If he does not, the ship will crash and both of them as well as the colony will die. What will he do?

Jurassic Park Michael Crichton

Seen the film? Read the book – and discover a theme about fractals and chaos theory that never came through the film version.

Detective fiction

The Oxford Murders Guillermo Martinez

Two mathematicians must join forces to stop a serial killer in this spellbinding international bestseller. It begins on a summer day in Oxford, when a young Argentine graduate student finds his landlady - an elderly woman who helped crack the Enigma Code during World War II - murdered in cold blood. Meanwhile, a renowned Oxford logician receives an anonymous note bearing a circle and the words "the first of a series." As the murders begin to pile up and more symbols are revealed, it is up to this unlikely pair to decipher the pattern before the killer strikes again.

The Three Body Problem : A Cambridge Mystery Catherine Shaw

Cambridge, 1888. Miss Vanessa Duncan is a young schoolmistress recently arrived from the countryside. She loves teaching and finds the world of academia fascinating; everything is going so well. But everything changes when a Fellow of Mathematics, Mr. Akers, is found dead in his room from a violent blow to the head. Vanessa learns of Sir Isaac Newton's yet unsolved 'n-body problem', which Mr. Akers might have been trying to solve to win the prestigious prize.

Uncle Petros and Goldbach's Conjecture: A Novel of Mathematical Obsession Apostolos Doxiadis.

Petros Papachristos devotes the early part of his life trying to prove one of the greatest mathematical challenges of all time: Goldbach's Conjecture, the deceptively simple claim that every even number greater than two is the sum of two primes. Decades later, his ambitious young nephew drives the defeated mathematician back into the hunt to prove Goldbach's Conjecture. . . but at the cost of the old man's sanity, and perhaps even his life.

Instrumental Music Program News

Last week of term rehearsals: no orchestra, string orchestra, senior strings or senior stage.

Congratulations on Achievements:

Luke Mancini Year 7 awarded a B in grade 4 trumpet exam (first one).

Jamie Mancini Year 9 awarded a B in grade 3 clarinet.

Term 3—Upcoming events:

18 July 3.30pm Symphonic Band - State Band Festival Clancy Auditorium, UNSW

19 July Concert Band - State Band Festival Clancy Auditorium, UNSW

22 August 7.00pm Senior Stage Band with James Morrison - School Hall

24 August 6.30pm Senior Elective Music Students Performance Space

25 August 7pm Concert Band Community Band Night Pittwater RSL

15 September 7pm Concert and Symphonic Bands PHS Instrumental Night School Hall

5 October Senior Stage Band - Manly Jazz Festival

10 November School hall Selected students, Year 7 Music Elective Class, Senior Strings, Senior Stage PHS Music Night

Please plan on supporting the full session at the upcoming festivals.

These events have been updated into our music web site: <http://www.myschoolmusic.com.au/pittwaterhighmusic>

Parking:

Thanks to everyone who supported the call for parking. Some sessions were harder work as the cutover time was too small.

2015 Payments:

The online portal is open for access. Payment questions to Rick Elliott icycoldlager@gmail.com

<http://www.myschoolmusic.com.au/pittwaterhighmusic>

Mudgee Tour:

Unfortunately not enough expression of interest was given for the proposed Mudgee tour in November.

We will look into having a two day mini tour at the same time. The students that gave their expression of interest for Mudgee will take first preference for this.

WINTER HOLIDAY CAMPS

THE BEST HOLIDAYS HAPPEN AT CAMP

- ✓ New friendships
- ✓ Great value
- ✓ Fun
- ✓ Safe

Our popular Winter Kids' and Family Holiday Camps are filling fast. Find out what's on including our popular ski / snowboard camps at Jindabyne.

Led by qualified instructors, you can rest easy knowing your kids are in safe hands. Our Kids' Camps are suitable for kids aged 7 to 16 years* and range from 1 to 7 days.

Residential Kids' Camps include:

- 24 hour supervision
- Instructor led activities
- Accommodation
- Meals
- Supervised transport

*Snow Sports camps are suitable for kids aged 10-16 years.

Family Camps include:

- Instructor led activities
- Meals
- Accommodation
- Lift and lesson tickets and transport to Perisher (for Jindabyne camps only)**

**Kids as young as 6 years can participate in group lessons as part of a Family Camp.
