

BYOD @ PITTWATER HIGH SCHOOL

BYOD (Bring Your Own Device) refers to students bringing a personally- owned device to school for the purpose of learning. The purpose of BYOD is to continue technology-rich learning for all students at Pittwater High School. There will be more opportunities for students to collaborate with others, connect with a global community, receive feedback from teachers, and create products like videos to demonstrate their learning.

What devices can students bring to school?

Windows-based machines or MacBook OS machines ONLY. See Specifications and overleaf.

Please do not purchase ipads/Google Chrome devices or Windows 11/10 S mode IS NOT compatible with NAPLAN and minimum standard tests.

Devices can also be purchased through discounted price at JB-HiFi Store <https://byod.jbhifi.education/> School Code: PWHS

Device specifications

Wireless Connectivity

All devices must support 5GHz dual band. (802.11 n/ac wireless)
